To Whom It May Concern:

This letter is to serve as my formal recommendation for Sarah Doheny. As a business associate, Sarah has been very effective and instrumental in positioning *Chester County Life* magazine to high-profile clients. Her efforts have produced high-quality results time and time again.

Sarah is a professional publicist with extraordinary market knowledge, network connections, creativity, skills and talent. I find her level of experience, professionalism and leadership very refreshing. What impresses me the most about Sarah is her sincerity, strong work ethic and ability to achieve quick results. I frequently seek her advice and support.

For these reasons, I highly recommend Sarah Doheny as a professional publicist. If you have any questions regarding Sarah or this recommendation, please contact me.

Sincerely,

Kenneth S. Dooley
